NEW IN TOWN

2ND STREET BISTRO, MCALLEN

AMERICAN | It may be situated in the lobby of the newly remodeled DoubleTree Suites, but it feels more like a swanky eatery. And the menu certainly doesn't offer your usual hotel fare: we enjoyed a crispy-skinned brick-oven chicken with hand-cut fries and chipotle aioli, as well as the catch of the day, grilled Atlantic salmon topped with herbed goat cheese. *Bar. 1800 S. 2nd (956-686-3000). B, L & D 7 days. (1/16)* **\$\$**
